Eyes seldom grow better withou help, but how can glasses improperly adjusted help your eyes?

Every day I see people wearing glasses which by their position before the eyes are a positive injury. I have special skill in adjusting glasses as well as in testing the eyes. Come in and have yours properly adjusted.

Dr. Rickert Over Kentner's

"Yes Sir! Studebaker wagons are made to back up a reputation."

"I know, because wagons of every make come into my shop for repairs, and I have a chance to see how few are Studebakers."

That's the opinion of thousands of blacksmiths who know the quality of Studebaker wagons. The owners never regretted that they bought

Studebakers. Tested materials, accurate workmanship insure a wagon unequaled for durability, and this careful selection of wood, iron, steel, paint and varnish has been a fixed rule with the Studebaker Company for nixty years. That is why a Studebaker wagon runs casiest and lasts longest. It is built on honor.

Whether you live in town or country, there is a Studebaker vehicle to fill your requirements for business or pleasure — and harness of every description made as carefully as are Studebaker vehicles.
